ACTION ITEMS	DISCUSSION NOTES	ACTION PLAN
1 - Reviewed notes from last Family Engagement.	1 - Went over notes from last Family Engagement. Went over the results from the Family Engagemnet Survey that was filled out by parents in October.	1 - Used the feedback from the Family Engagement Survey to help us try and implement in the up-coming school year 2024-2025.
2 - Kindness Gram	2 - Our plan is to help spread more Kindness on campus.	2 - Work with PTSO to try and come up with an idea for Kindness gram.
3 - Science Night	3 - Thoughts on how we can prepare and plan to have Science Nights in the up-coming school year 2024-2025.Possibly reaching out to UofA Science Department, Children's Museum, Arizona Science Center. Reaching out other TUSD schools with Science clubs to join us for the special event	3 - Talk with Teachers to see if they would be interested and staying an evening to have Science night for our families to learn and participate in Science in a fun way.

4 - Dual Language Night	4 - Idea for McCorkle to host a Dual Language night. A wonderful opportunity to showcase Dual Language work to their families.	4 - Speak to the Dual Language Teachers to see if they are interested in having an event for McCorkle Families.
5- Students ideas for McCorkle	5 - Students would like to find a way to work more with the smaller grades. Collaborating with them in school projects, reading or tutoring.	5 - Talk with the teachers to see if they would like to partner up with a different grade to create projects. Many of the older students have younger siblings or relatives that they would like to collaborate with.
