<p><b>3. Review Family Engagement Team Plan</b></p>	<p><i>3. Our focus is to reach out and collaborate more with our family and community. We had a huge success last year with the idea of beautifying our school with painted rocks. This event was centered around Family Engagement. We invited families to come and join their kids in painting their own rock to be displayed on our campus alongside their children's rock. We had a huge turn out and families were happy to be a part of a special project.</i></p>	<p><b>3. All Family Engagement Team</b></p>
<p><b>4. Assign Task to Complete Family Engagement Plan</b></p>	<p><i>4. First discussion was to collaborate with our McCorkle Families and Staff to host a Trunk or Treat event. The idea is to invite families to decorate their own vehicles that will be parked on our campus and kids will be invited to stop at each vehicle to collect either treats or do a Curricular inspired game. Teachers are invited to participate as well with a treat or fall inspired learning activities. We asked the students that are a part of our Family Engagement Team to work together to come up with ideas that they would like at the Trunk or Treat that is educational. Mrs. Salcido will reach out to PTSO to see if they would like to join us as well. Mrs. Contreras will be working with the Student Council.</i></p>	<p><i>4.
