<i>Agenda Items</i>	<i>Discussion Notes</i>	<i>Responsible for follow-up</i>
<i>Review last Family Engagement meeting</i>	<i>Our first Candy Crawl on Treat St. Was a success and we received positive feedback from Families, Students and Staff. We achieved a major goal by significantly increasing Family Engagement, thanks to the incredible enthusiasm and participation of our parents and family volunteers. The event fostered excellent teamwork across grade levels, as classrooms collaborated creatively to design and execute imaginative display tables for our younger students.</i>	<i>No follow-up needed</i>
<i>Analyze Family Engagement Survey and Conference feedback results</i>	<i>We reviewed the survey results and for the most part we received positive feedback. We looked at the negative feedback and discussed how we could turn it into questions for our Focus Group to help us improve in these areas.</i>	<i>Family Engagement Team</i>
<i>Create Questions for Focus Group based on survey results</i>	<i>After discussing the results, we put together a list of Focus Group questions.</i>	<i>Family Engagement Team</i>
