We have time to vote in April so Ms. Flores can bring a specific list with costs. Another egg & spoon relay game (\$15), new sacks for sack race (all last year's ripped) looking for a burlap material to be more durable 12pk (\$40).

For sure to potentially propose is the dunk tank. The amount did not exceed \$300.

<https://jumpmaxx.com/dunk-tanks/> for rate.

Update on the number of snack bar bucks for Bunny Hop donations.

So far they have handed out less than 30. So far they have collected 12 small bags, 6 medium bags, 2-3 large bags for 626 elementary students. Needing 6,000 pieces of candy so every student gets approx. 10 pieces of candy.

The deadline for candy donation was supposed to be by Wednesday 3/06/26.

Please condense flyer for candy donations. Need, what is given, and date of event and include shout out to PTSO so parents can see how PTSO helps the school. Sandra Contreras and Alyza Flores will work on it and send it out.

PTSO can pull back vouchers and put it toward candy purchase.

## **Requests**

Dr. Valencia had a group of 8 students that went to Utterback to participate in the Black History Bowl. Dr. Celeste Adkins helped out by buying the shirts and is willing to provide the receipt. Seeking to get reimbursed for purchase shirts through Timberlake. Asking for funds for a little celebration for the students' hard work.

Amount is \$12 per shirt approx - total 180.00 and

50.00 for a pizza party for the students

In the future it would be great to have known beforehand by the staff member in charge of the event.

Because PTSO is for staff and students, parent donations are not able to be reimbursed.

The correct procedure is to pre-approve by coming to a meeting and request, the board votes, it is purchased, it is noted in the meeting minutes, and the receipt is directly connected to the minutes for auditing purposes. The expectation is that if a parent wants to advocate for something that is happening at the school, they should come to the meeting and bring it to the attention of the group. If they purchase in advance, it is at their own risk.

Bryant Valencia makes a motion to reimburse Dr. Adkins for the 180.00 for purchasing the 12 shirts for the Black history votes.

No second, no vote.

Bryant Valencia makes a motion to request 50.00 for a pizza party for the students who participated in the Black History Bowl.

Jacqueline seconds

Richard seconds,

All approve, motion passes.
